Behind rolls of film and yellow-tinged Senior photos, a leather-bound book lay untouched and forgotten in the bottom drawer of the Journalism Room of Hobart High School. After brushing away the dust, curious members of the Yearbook Staff, carefully extracted these lost volumes of the Ho-Hi Life, Hobart High School's newspaper, embossed with the gilded letters "Vol. I 1935-1936". Eighty years have passed since the HHS Class of 1936 threw their caps in the air, but not without a lingering message. The pioneer writers of the first HHS newspaper, Ho-Hi Life, spoke to future Brickies in their first column ...

Eli Mercado makes Hobart History as First Diver to Qualify for Boy's Diving Sectional Champion

Story by Jenna Sorensen

Eli Mercado is a senior at Hobart High School and an excellent athlete. Eli, an active member in his community, participates in many sports and excels at each one. Mercado is also a member of the track and football team. Mercado is particularly an excellent diver, who qualified for state after beginning to dive his junior year, which "was the first season that I ever tried diving" Mercado confirms. Mercado's record for six dives is 296. His eleven dive score is 454.

Mercado states, "I have only been diving for 2 years, in reality only two seasons because I started my junior year and finished my senior year at State," which is excellent for someone who has not been involved in a sport for long. Also, when asked how he became involved in the sport, Mercado says "I first signed up for diving my freshman year, but I heard nobody was in diving so I did not try it out, instead I tried basketball and the results did not go as planned. My sophomore year I tried wrestling, but I thought the sport was boring so I stopped. My junior year I was told by a friend named Miguel who was a former diver to try out the sport, after the first practice I have been diving ever since."

Mercado's attempt to try new things ultimately shows in his character.

Mercado claims, "Believe it or not, jumping off a diving board does get tiring and it does get you in shape. Constantly flexing your legs and jumping high can be a struggle when you do not have abs either so you do have to be fit. You have to have a strong core and plus swimming back to the wall can be tiring too."

When asked if he ever feels scared diving off a high-dive, Mercado says, "Yes, there's not a dive that goes by where I fear of hitting the board. Although once you overcome the fear you can do any dive in the book. You just have to overcome them." Mercado's words on overcoming fears to get to the place where he is now is inspiring. Being a state qualifier after only diving for a few years is a huge accomplishment. Mercado states, "It felt great, one of my biggest accomplishments and best high school memory I will ever have. Not everyone can say they have done a sport and in two seasons they make it to State, so I was blessed and it was just a great accomplishment."

Not only is he a great athlete, but also very humble when it comes to his accomplishments. Mercado performed well at the state finals, and says, "I did really good, I dove and made it to the finals. Knocking out 17 divers and making it to finals is a big deal. You are diving against the 32 best divers in the state." Not only did Mercado qualify for state, but he also broke Hobart history. Elijah was the first diver in Hobart history to qualify for state. Mercado confirms, "It feels great, the fact that I only dove for two seasons and becoming conference champion, sectional champion, top five regional finalist, being the first diver to make it out of the regional and being state qualifier, and state finalist. That is huge. I feel blessed and opened many doors. I plan on diving in college and I hope to get better and better every year."

Elijah is more than a good athlete, at HHS, he is also is known to have a kind and friendly personality.

Senior Eli Mercado at his hometown pool, here at Hobart Middle School. Eli comments on his diving success, "I prefer diving over any other sport. I would choose diving because it's a sport that I think is pretty intense mentally, and you have to do a lot of visualizing before doing a dive. You are on your own and when I do things on my own I tend to be a bit more successful."

Senior, Maya Villalobos a Hometown Hero

Story By Alexa Mitchell

Leaving Hobart High School a better place ...

On Nov. 4, Senior Maya Villalobos was driving past Hobart's City Ball Park when she noticed that an elderly woman had collapsed while walking her dog. Without hesitation or fear, Villalobos calmly pulled to the side of the road, assessed the situation and called 911 for assistance. After determining that the woman had no pulse or respirations, Villalobos performed cardiopulmonary resuscitation (CPR) for approximately ten minutes until paramedics took over.

Because of the Porter County Career and Technical Education classes Villalobos attends through Hobart High School, she was well-trained in first aid and CPR, certified in Health Careers and Health Occupations programs. It was this training that equipped her with the necessary skills and medical training needed to react in an emergency and the ability to begin performing life-saving measures before emergency medical personnel had arrived.

She said, "It was such a thrill actually putting what I was taught to the test. As soon as I started doing CPR, everything I was thinking and feeling went away. In that moment, I was solely focusing on what I was doing."

Villalobos wishes to pursue a career in the medical field where she will continue helping others with her skills and compassion. Her aspirations include becoming a nurse anesthetist with certification through Rush University Medical Center in Chicago, Illinois. Through this career, Villalobos will be able to continue to utilize her talents and abilities to help those in need.

When reflecting upon the impact that this experience has had on her, Villalobos said, "This experience has opened my eyes to what I really want to do with my life... I know 100 percent without a doubt I want to spend my life helping people."

She also wishes to extend a word of advice to anyone who may ever find themselves in a similar situation, "The best thing you can do is call 911 immediately... It's better to do something than nothing at all."

It is because of ordinary heroes, like Maya, that someone's life will be forever changed. Her commendable actions make it an honor to have her as part of our school community. She exhibits every day what it truly means to be a Hobart Brickie.

Farewell to our beloved Madame

French Teacher, Mrs. Olejniczek retires after 38 years

As June rolls around, the school year is not the only thing coming to a close; Madame Olejniczek, Hobart High School's french teacher for the past thirty eight years, has announced her retirement from teaching. Affectionately referred to as "Madame", Madame Olejniczek began teaching when, at a young age, she observed the passion for teaching that her parents had harboured and how much satisfaction they had in life because of their careers. More so, Madame's gift of teaching was prevalent in adolescence when she always adopted the role of the teacher by leading the pack and taking charge of situations so that she may help and assist others. However, an influential push Madame felt towards teaching came from the fact that she would have more time to spend with her family; which, is very dear to her.

Having taught her majority of years at HHS, sans one year at Indiana University Northwest, Madame has taught French, levels one through five, passport to culture, sophomore gifted and talented, and education seminar. As a result, students have been heavily impacted by Madame's presence; for instance, when asked about her experience with Madame, Ruby Ziembicki, a fifth year french student and former Sophomore GT student, said, "Having Madame as a teacher for the four years of my high school career has been wonderful.

She is one of the teachers I have grown the closest to and have spent the most time with. Without having Madame as a teacher or mentor I do not think that I would have gotten the best experience out of high school."

Story by Danielle Hill

Ziembicki then went on to recount the many things that Madame had taught her, saying, "I think the most important thing that I have learned from Madame is being open-minded. After being her student for so long and growing so close I feel more freely to express my opinions about situations with her and she would always try to steer me to see the situation from another's perspective or why what happened happened. She has taught me to be understanding and open-minded towards others and have sympathy in needed places."Obviously, Madame has left quite the impact on her students; however, her students have also influenced her. For example, Madame reminisced about past classes, student dialogues/presentations, the satisfaction of seeing test scores and grades improve before adding that she will miss her work colleagues, fondly referred to as her lunch buddies, and the laughs that they shared.

However, Madame is looking forward to reaping the benefits that are associated with retirement, and the first pro she listed off was the extra sleep. Although she is excited for more rest, Madame is extremely happy with the family time that she will now have, and she is even considering moving to Indianapolis so that she may be closer to her family.

Reflecting on her many years of teaching, Madame shared a few of her favorite memories; first and foremost, during her initial year of teaching, her students threw her a surprise bridal shower to celebrate her upcoming nuptials. More generally, Madame enjoyed the creativity infused within the french dialogues. Each student played a role, and the group efforts never ceased to amaze her; one group in particular even went as far to include a yellow cardboard taxi in each skit as a symbol of continuity.

French experiences are commonly discussed in class because of how Madame highlights how beautifully two cultures can intertwine; so, she decided to share her favorite french experience. While touring Paris, France with a group of students, Madame was riding a subway and heard a frantic call of "Madame O!" As it turns out, a previous student of hers was visiting the city at the same time, and Madame loves how exciting it was to see the impact that her French class had on a student.

As a farewell, Madame offered up parting words of encouragement by saying, "Don't give up. Live with grit and faith. Onward! Forward!"

Getting asked to dances

Senior David Kostbade asked his girlfriend Rachael Richardson to prom with a promposal themed after the movie "Frozen." His sign says: "You're worth melting for...Don't leave me FROZEN...Prom?

Senior softball star Maddy Adams asked Sophomore baseball player Sam Hicks with a ball themed promposal and Subway cookies. Her home plate says: "Can I STEAL you for prom?" The cookies say: " It would be WAY better with you"

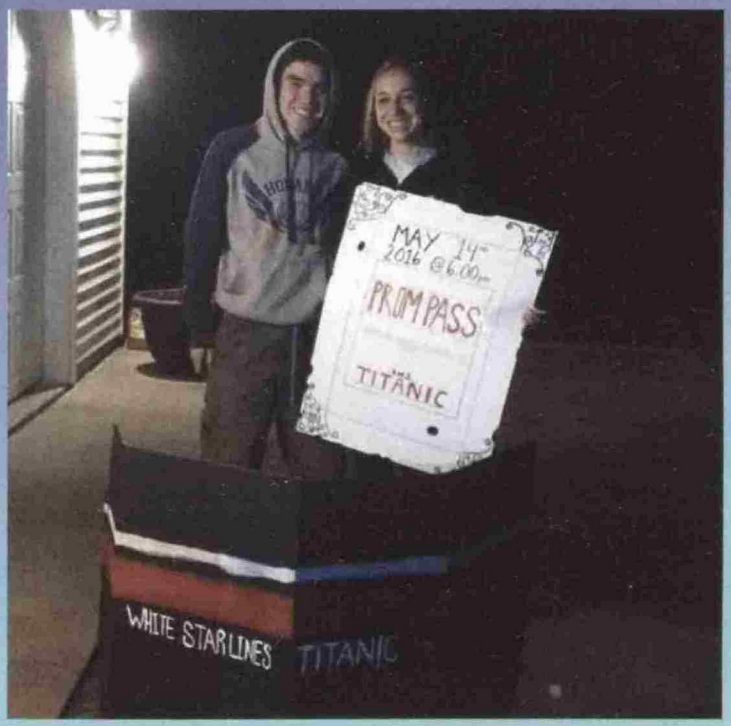

Senior Joey Purcell asks Junior Lizzy Burns to the winter semi formal. His cheerleading themed posters says: "I would FLIP if you were my date to semi?"

Junior Sydney Benton asked Sophomore Jimmy Davis to prom with a Star Wars themed promposal. Her sign says: Jimmy, you'd be a TROOPER if I didn't have to FORCE you to... PROM"

Junior Gina DelGrosso sent Senior Tyler Kenjic on a scavenger hunt to find her promposal. The final clue asked: "I know I am swinging for the fences asking you this question... will you walk-off 2 prom with me?

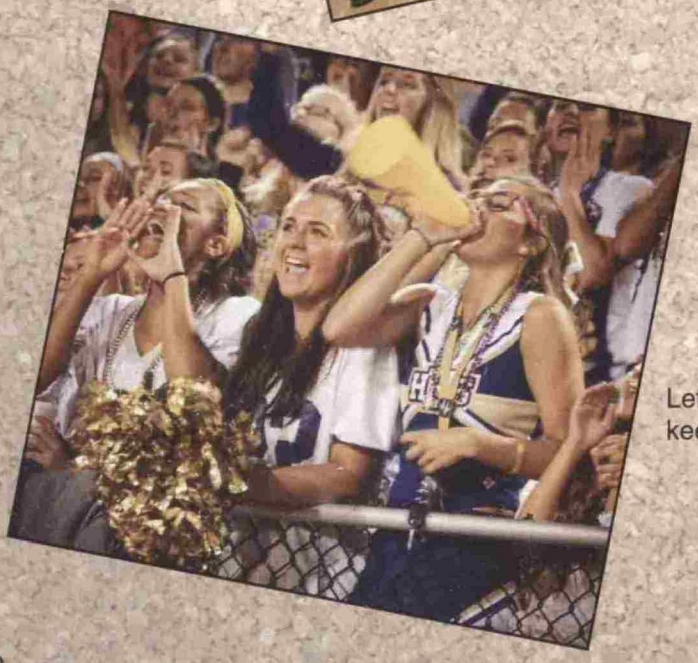

Junior Steve Camarillo asked Sophomore Megan Zakutansky with a "Prom Pass" onto the Titanic.

Serving with Determination

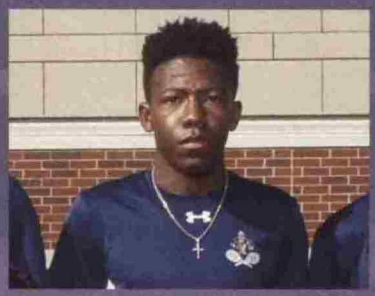

"At first it was difficult to get back in the game, but after a lot of practice, tennis is a sport that I love and can do for the rest of my life," said Kolopanis.

The boys tennis team had a very successful year, as a team scoring over 500 points. Their season came to an end on October 1, 2015. The boys were coached by Carl Davis and Larry Swanson, similar to previous seasons. Pictured above is senior, John Kolopanis. This year was John's first year playing tennis as a team sport. He previously took lessons in middle school but wanted to try it as a team sport this year.

HHS Students Warm-Up Winter with a Movie Day

STUDENTS TO ENJOY MOVING PICTURES

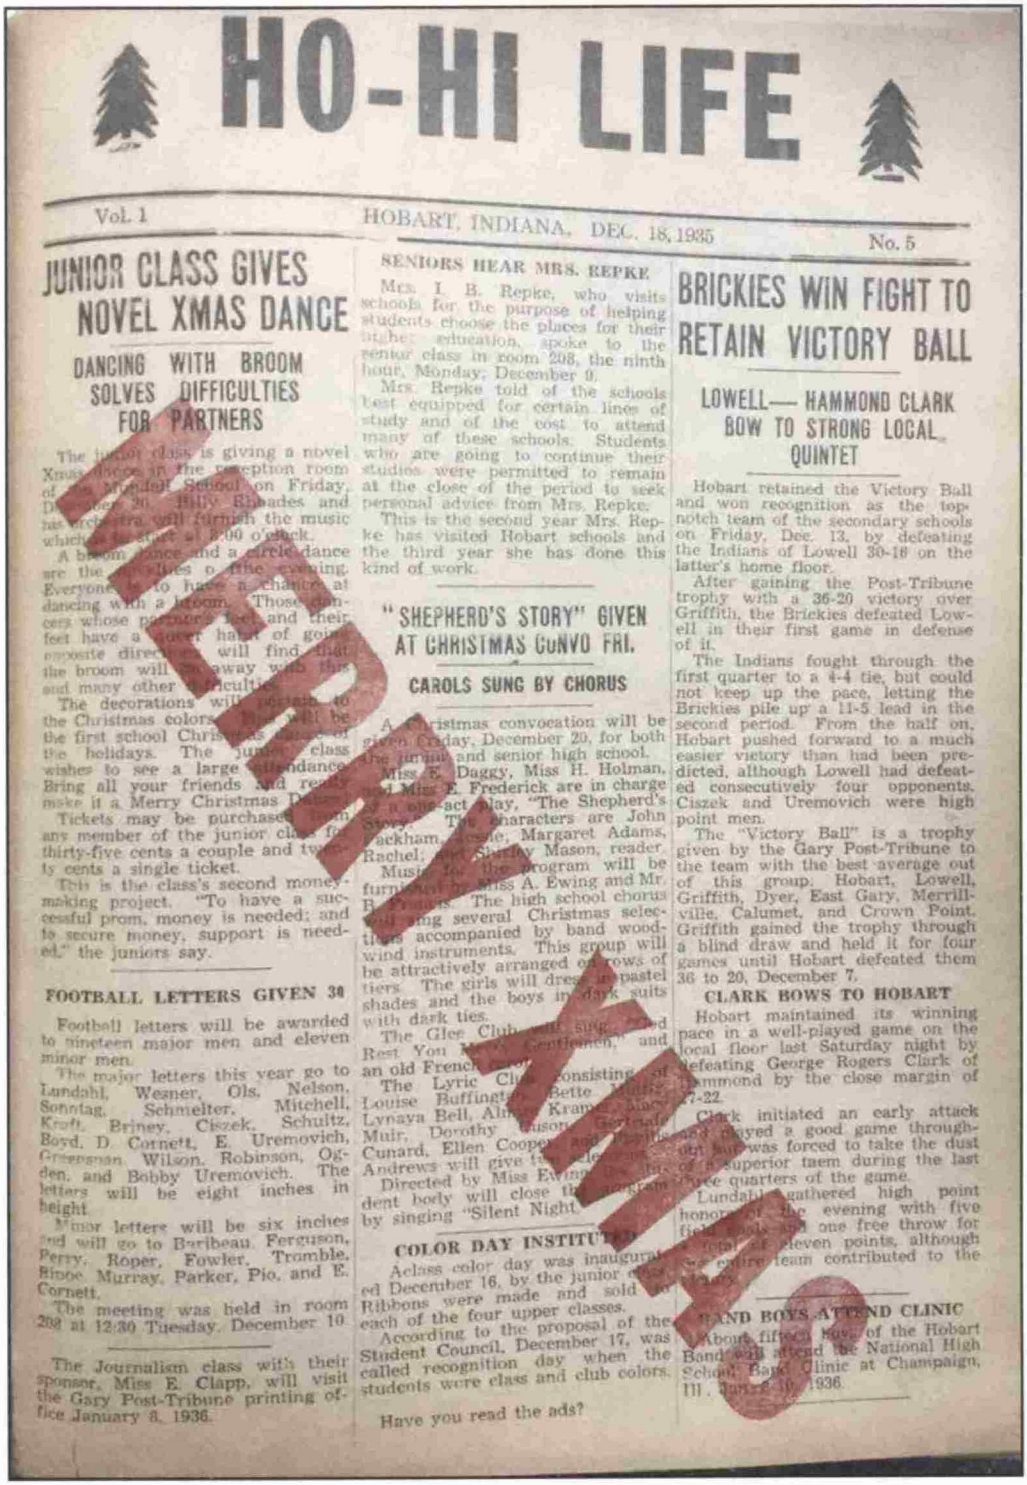

A moving picture projector has been purchased for classroom and assembly use, as a result of the subscription magazine sales drive from last year and this year.

The net profits earned by the school from the magazine subscription drive amounted to near $50.00 this year and $45.00 last year.

More sales were made this year but because more expensive prizes were given the receipts were lowered.

The senior high, called the army, and the junior high, called the navy, competed in this subscription drive that lasted eleven days. The army won by the close score of 54 to 53.

When our Chromebooks won't work or the Internet is down, we can all enjoy the fact that we live in a high-tech age. The students of Hobart High School in 1935 were ecstatic to get their first "moving picture projector" for classroom and assembly use, stated above in the December 18, 1935 edition of Ho-Hi Life.

DANCING WITH BROOM SOLVES DIFFICULTIES FOR PARTNERS

The junior class is giving a novel Xmas dance in the reception room of the High School on Friday, December 20. Billy Rhoades and his orchestra will furnish the music which will start at 8:00 o'clock.

A broom dance and a circle dance are the features of the evening. Everyone is to have a chance at dancing with a broom. Those dancers whose partners step and their feet have a queer habit of going opposite directions will find that the broom will go away with this and many other difficulties.

The decorations will conform to the Christmas colors. This will be the first school Christmas dance of the holidays. The junior class wishes to see a large attendance. Bring all your friends and really make it a Merry Christmas Dance.

Tickets may be purchased from any member of the junior class for thirty-five cents a couple and twenty cents a single ticket.

This is the class's second money-making project. "To have a successful prom, money is needed; and to secure money, support is needed," the juniors say.

FOOTBALL LETTERS GIVEN 30

Football letters will be awarded to nineteen major men and eleven minor men.

The major letters this year go to Lundahl, Wesner, Ols, Nelson, Sonntag, Schmelter, Mitchell, Kraft, Briney, Ciszek, Schultz, Boyd, D. Cornett, E. Uremovich, Greenman, Wilson, Robinson, Ogden, and Bobby Uremovich. The letters will be eight inches in height.

Minor letters will be six inches and will go to Baribeau, Ferguson, Perry, Roper, Fowler, Tramble, Binoe, Murray, Parker, Pio, and E. Cornett.

The meeting was held in room 208 at 12:30 Tuesday, December 10.

The Journalism class with their sponsor, Miss E. Clapp, will visit the Gary Post-Tribune printing office January 8, 1936.

SENIORS HEAR MRS. REPKE

Mrs. I. B. Repke, who visits schools for the purpose of helping students choose the places for their higher education, spoke to the senior class in room 208, the ninth hour, Monday, December 9.

Mrs. Repke told of the schools best equipped for certain lines of study and of the cost to attend many of these schools. Students who are going to continue their studies were permitted to remain at the close of the period to seek personal advice from Mrs. Repke.

This is the second year Mrs. Repke has visited Hobart schools and the third year she has done this kind of work.

"SHEPHERD'S STORY" GIVEN AT CHRISTMAS CONVO FRI.

CAROLS SUNG BY CHORUS

A Christmas convocation will be given Friday, December 20, for both the junior and senior high school.

Miss E. Daggy, Miss H. Holman, and Miss E. Frederick are in charge of a one act play, "The Shepherd's Story." The characters are John Jackham, Margaret Adams, Rachel; and Shirley Mason, reader.

Music for the program will be furnished by Miss A. Ewing and Mr. B. [illegible]. The high school chorus will sing several Christmas selections accompanied by band woodwind instruments. This group will be attractively arranged on rows of tiers. The girls will dress in pastel shades and the boys in dark suits with dark ties.

The Glee Club will sing "Gentlemen," and Rest You Merry," and an old French [illegible].

The Lyric Club, consisting of Louise Buffington, Bette [illegible], Lynaya Bell, Alice Kramer, Mary Muir, Dorothy Gibson, Gertrude Cunard, Ellen Cooper, and [illegible] Andrews will give the [illegible].

Directed by Miss Ewing, the student body will close the program by singing "Silent Night."

COLOR DAY INSTITUTED

A class color day was inaugurated December 16, by the junior class. Ribbons were made and sold for each of the four upper classes.

According to the proposal of the Student Council, December 17, was called recognition day when the students were class and club colors.

BRICKIES WIN FIGHT TO RETAIN VICTORY BALL

LOWELL— HAMMOND CLARK BOW TO STRONG LOCAL QUINTET

Hobart retained the Victory Ball and won recognition as the top-notch team of the secondary schools on Friday, Dec. 13, by defeating the Indians of Lowell 30-18 on the latter's home floor.

After gaining the Post-Tribune trophy with a 36-20 victory over Griffith, the Brickies defeated Lowell in their first game in defense of it.

The Indians fought through the first quarter to a 4-4 tie, but could not keep up the pace, letting the Brickies pile up a 11-5 lead in the second period. From the half on, Hobart pushed forward to a much easier victory than had been predicted, although Lowell had defeated consecutively four opponents. Ciszek and Uremovich were high point men.

The "Victory Ball" is a trophy given by the Gary Post-Tribune to the team with the best average out of this group. Hobart, Lowell, Griffith, Dyer, East Gary, Merrillville, Calumet, and Crown Point. Griffith gained the trophy through a blind draw and held it for four games until Hobart defeated them 36 to 20, December 7.

CLARK BOWS TO HOBART

Hobart maintained its winning pace in a well-played game on the local floor last Saturday night by defeating George Rogers Clark of Hammond by the close margin of 27-22.

Clark initiated an early attack and played a good game throughout but was forced to take the dust of a superior taem during the last three quarters of the game.

Lundahl gathered high point honors of the evening with five field goals and one free throw for a total of eleven points, although the entire team contributed to the victory.

BAND BOYS ATTEND CLINIC

About fifteen boys of the Hobart Band will attend the National High School Band Clinic at Champaign, Ill., January 10, 1936.

Girls Swimming

Overall Hobart High School's girl's swim team had a record nine wins and 6 loses, not including their annual winterfest, in which they took second place out of eight teams. The girls started the season hard and ended even harder. Twice a day, five days out of the week, the girls were hitting the weights and in the water, striving to be better than their last race. Every single girl on the team ended the season with better times than at the beginning, and their coach Jon Foddrill cannot wait to see what's in store for next season.

Swimming Toward Tradition

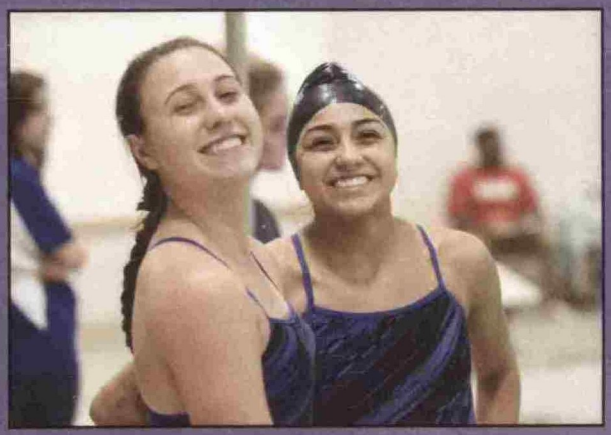

Team captain, Carrie Terry, a junior, says "Swim is more than just a sport; it's a journey and life experience. Swim helps us through many issues by focusing on what's so important to us. And although, many consider swimming as an individual sport, you will never be closer to a team than you are in this sport. We are a family and we conquer together".

Wow what a great State Series run for our Hobart Wrestling team. They started Sectionals with 12 wrestlers. Brendan Black placed 3rd out of 16 wrestlers at the IHSAA Wrestling State. "As a wrestling team for Hobart we have high expectations for our athletes when it comes to their performance in the State Series, but we train with those expectations in mind. "Going into Sectionals as a coach I felt pretty confident that we would send a majority of our wrestlers to Regionals." says Coach Alex Ramos. At the Sectionals Championship the Brickies walked away with three champs, four runner ups, and four place winners. Losing only one wrestler, the Brickies had 11 advance to the Regionals Championship where there was a tough fight to advance for Semi Coach Ramos. With all the tough wrestling Hobart indured one champ, two runner ups, and seven place winner came from that day.

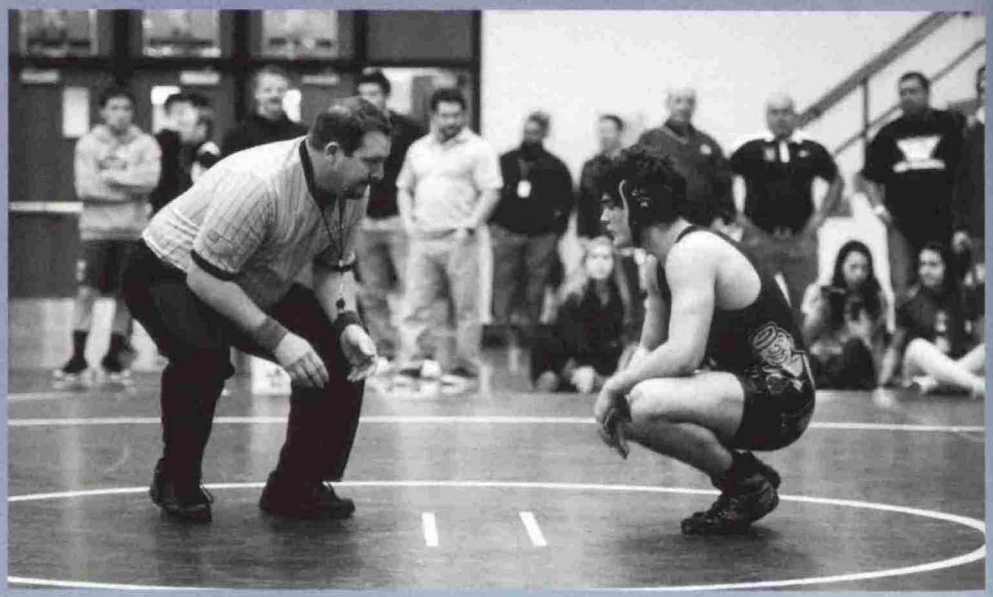

"I think Regionals exposed some flaws in our wrestling program, so to say we as a coach staff are satisfied would be too complacent basically saying that there is room for improvement." says Coach Ramos. Okay Semi State is arguably one of the toughest tournament in some people's eyes. With an outstanding 10 wrestlers down to Semi State. "There are 64 wrestlers Saturday morning in the state in four semi states, by the end of the day there's only 16 wrestlers in each weight class in the state." says Coach Ramos. We lost a few Brickies wrestlers for the fight to continue on to the State Finals, but there were two survivors Brendan Black 132 and Matt Burns 152.

Diving with Brickie Dedication

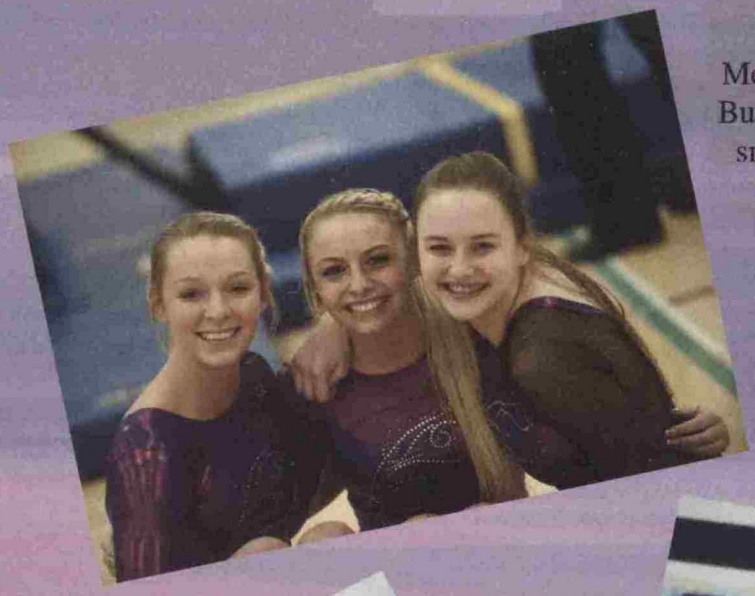

The 2016 boys swim team had a rough year in the beginning of the swim season, but turn heads in the middle of the season and showed every other swim team in the area that Hobart has potential to keep up.. Freshman Taylor Walker, Bradley Goben, and Wyatt Decanter had an outstanding freshmen year with both Bradley and Wyatt ending the season with 24.22(Bradley) and 23.97(Wyatt) in the 50yd freestyle. Walker also had an outstanding season with the 100yd butterfly ending the season with a 56.62 personal best. Sophomore Shane Woods has the best chance in beating a school record in the 100yrd breaststroke, ending the season with a time of 1:02.33.

The 2015-2016 season brought an end to the Senior class of 2016 swimmers: Barry Clanton, Justice Pyne, Jordan Reimer, Chris LaVelle Jr, Connor Bennett, and David Coxs. Justice has a new PR of 2:30.70 in the 200yrd freestyle. Clanton, after sustaining an ankle injury came back before the season ended, just in time for sectionals and set a new PR of 24.97 in the 50yd freestyle. LaVelle as his new PR in the 100yd freestyle at 55.09. Jordan also set a new PR in the 100yd freestyle at a time off 57.07. Bennett put his new PR in the 100yd butterfly at 1:02.43. The boys 200yd medley relay(Bradley, Shane, Taylor, and Wyatt) ended the season with a time of 1:43.98. Boys 200yd freestyle relay(Jordan, Barry, Chris, and Connor) ended the season with a time of 1:39.09. Boys 400yd freestyle relay(Bradley, Chris, Taylor, and Shane) ended the season with a time of 3:35.93.

The Senior Class culminates four years of hard work as they honor the tradition of touching Johan's shoulder as they walk onto the field at graduation.

Senior Hall of Scholars

The Hall of Scholars members for this year's graduating class are pictured: (Back row) Danny James, Stephanie Stack, Josh Novak Jessica Parlock, Avery Raica, (Second row) Katie Hardlannert, Alexa Mitchell, Kayla Liechty, Ailey Brumley, Andrea Orosz (First row) Marisa Butkiewicz, Elizabeth Gaines, Courtany Hill, and Marisa Porras

Fierce competition, four years of arduous academic work and mere tenths of percentage points fuels the race for the top 15 Hall of Scholars. The Class of 2016 Hall of Scholars are finalized after a long four years of intense dedication to academics. The Hall of Scholars is a group of 15 students in the graduating class who have the highest grade point averages. To honor these hard-working, intelligent students who have worked tirelessly to secure their spots within the Top 15, a banquet was held at Hobart High School on May 6.

According to inductee, Katie Hardlannert, "drive, knowledge, hard work, and perseverance" are the qualities required to be in the Hall of Scholars.

GPA has always been a significant factor when determining the Top 15 of a class. To maintain an adequate GPA to be in the Top 15, Danny James says that "it takes a willingness to stay up late studying, [and] a desire to succeed no matter how hard the class."

"The Hall of Scholars is very competitive… GPAs are all so close that simply getting an A- over an A could rearrange your place in the Top 15," Hardlannert explained.

The fierce competition among senior students wishing to secure a spot within the Hall of Scholars taught inductee, Andrea Orosz, that "hard work pays off."

Now that class ranks have been finalized, ensuring a spot within the Hall of Scholars to these select students, they have the opportunity to place less emphasis on their ranks, ultimately lowering their high levels of stress. To honor these commendable students, a banquet was held on May 6 at Hobart High School. In attendance was various members of administration, Hobart High School faculty and staff, students, friends and family members. In addition to inviting family members and close friends, the scholars were given the task of inviting an influential educator who left a lasting impact on their educational careers or contributed in some way to the individual they have grown to become. The spouse of many educators will also be present to share in this special evening.

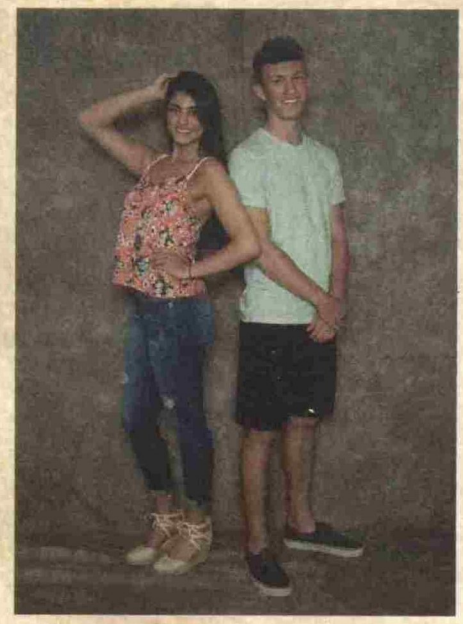

Students have taken their selection of the educator they will invite very seriously, many have had their educator chosen for months prior to the dinner. For example, Josh Novak stated, "I chose Ty Artherhults, my cross-country and track coach. I chose him because he has known me for 6-7 years and watched me grow as an individual."

Now that the intense, long standing competition has ended, the inductees can open up to sharing their experiences and giving reputable advice to underclassmen who aspire to be in the Hall of Scholars.

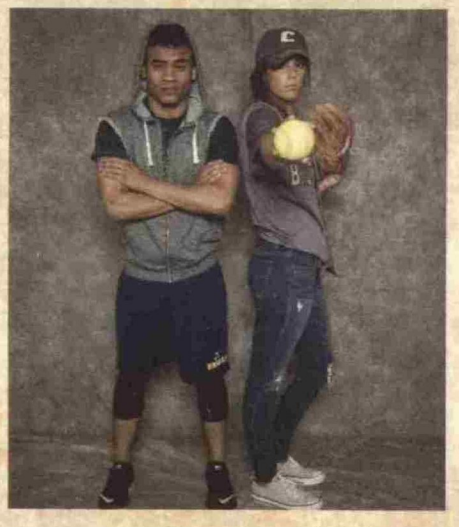

"Don't blow off classes," Novak advised, "and take all the weighted classes you can."

"Take AP Honors classes, but do not overwork yourself or take on a course load you cannot handle. Also, do not blow off your easy classes, getting high grades there can really boost your GPA," Hardlannert concurred.

Academic

At Hobart High School, we award the hardworking students, with scholarships and awards at the end of the year with a special ceremony.

Senior, Lucas Watts, and Senior, Tyler Kenjic, receive the Sam Moore scholarship wearing their gap and gowns.

Sophomores, Sammi Meyer, Emily Zanolla, Claire Dumbauld, and Becca Meyer gather together for a picture to show off their academic letters.

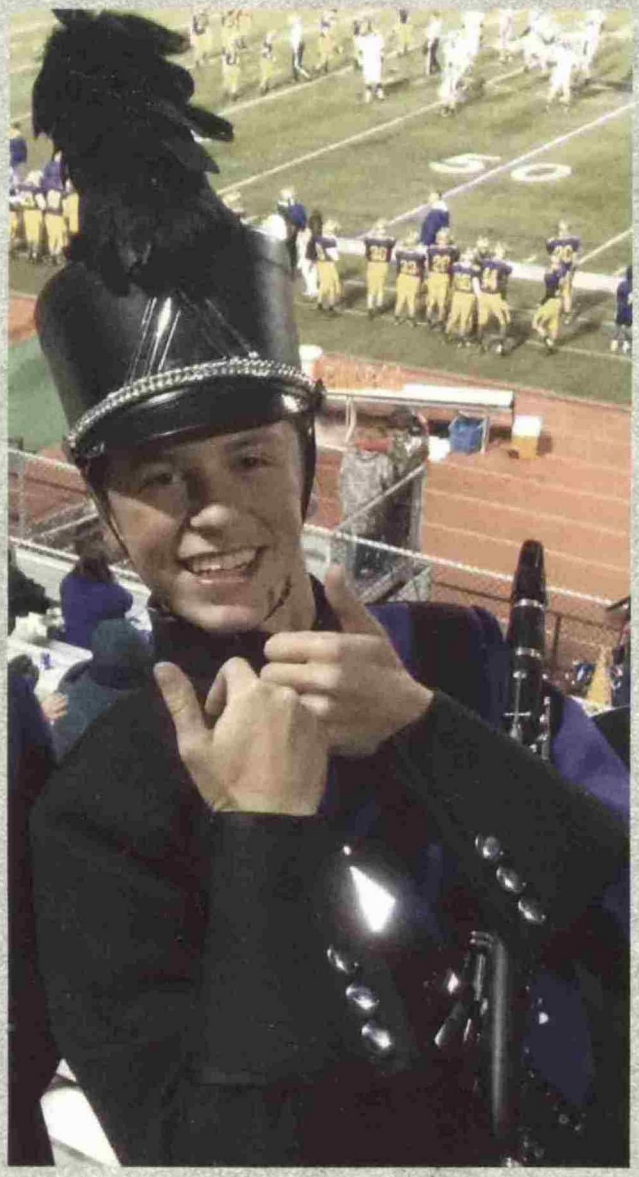

Awards

Junior, Sydney Benton, receives Academic English awards, Math awards, and an Award of Excellence.

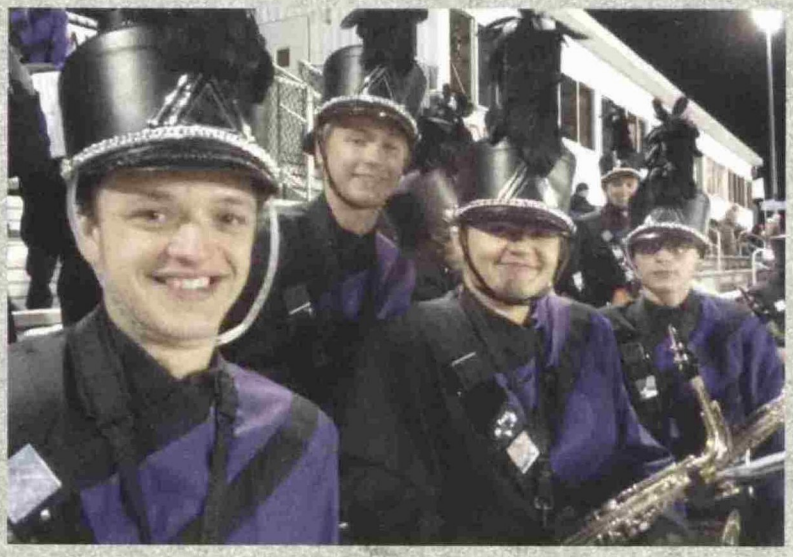

Sophomore, Emily Zanolla, smiles with joy after she received a handful of awards.

Joe Larem gives a double thumbs-up before performing at the football game.

"Spring is here at last."

Ho-Hi Life Ed. May 1, 1936

SIGNS OF SPRING

Whistling boys, sweaterless with shirt sleeves rolled. Couples strolling to and fro. A few spring fever victims on the front steps.

Roller skating parties roll on late into the evening.

A robin sings merrily as he catches his first glimpse of the green grass—

Poets are budding — lawns are green — buds are bursting — early wild flowers peep through the ground.

Future Ho-Hi students play marbles. Laughter and merriment everywhere.

Assignments appear longer. . . . Concentration is next to impossible. . . . Prom is the main subject. . . . The bus awaits the track boys every evening. . . . Drab winter clothes are exchanged for bright, colorful blouses and dresses!

Spring is here at last.

At least all these things should be here.

The May 1, 1936 edition of Ho-Hi life gives us a glimpse of the mind of a typical HHS student in spring. Not much has changed as "Prom is the main subject" then as it is now.

BRICKIES VICTORIOUS IN FIELD EVENTS

MET THREE FOES IN QUADRANGULAR MEET HERE, APRIL 25

The Brickies were victorious over Chesterton, Valpo and Griffith, April 25, when the four teams met to wage the track battle on the Mundell field.

The Brickies ran up 66 1-3 points to gain the berth of first place; Valpo came through with 31 1-3 points, for a second place; Chesterton battled hard to gain 28 points, a third place; too much competition limited Griffith's weak defense to 12 1-3 points, a fourth place.

Lestikow and Eaton led the Brickies for high scores, having ten points each. Geo. Kish proved that good hard training will make a star.

To-morrow the Brickies will make their third attempt to win the Chesterton Relays in Chesterton.

BRICKIES' COMPETITION STIFFENS NEAR END OF THE TRACK SEASON

In the remaining track season the Brickies will compete in stiff competition. The Brickies will test their skill tomorrow, May 2, against ten or twelve schools at the Chesterton Relays.

May 5, the Brickies will endeavor to break down the barrier between themselves and the Hornets of Wallace.

May 9, the Brickies will enter the Gary Sectional with high hopes of winning some first and second places so they can journey down state to compete in the state meet, May 16, at Indianapolis.

"Let us have faith that right makes might; and in that faith let us to the end, dare to do our duty as we understand it."

Band Students Earn 36 Firsts at State Meet

Winning 3 first divisions of 42 entries the soloists and ensembles, the Hobart High School Concert Band was again triumphant in the Indiana State Solo and Ensemble contest which was held in Elkhart, April 24.

The Hobart Band, under the direction of Bertram W. Francis, opened the contest with the playing of a concert on Thursday evening, April 23, at 8:00 p. m., in the Elkhart High School Auditorium.

Rules of the Indiana State Band and Orchestra Association state that all persons in first division are not necessarily eligible for the national contest. In order to compete in the national contest the state contest judge must recommend the players. Since there is no contest at the national for junior high school players, only senior high school players were recommended. Fourteen of Hobart's soloists were recommended to the national contest which is to be held in Cleveland, Ohio, May 14, 15 and 16. They were: Eldor Pflughoeft and Lee Chrisman on flute; Bill Rhoads and Frances Rhodes on clarinet; Elmer Schultz on bass clarinet; Charles Jones on cornet; Dale Grabill and Thomas Jones on French horn; Donald Marrs on baritone; Robert Keammerer and Eugene Backner on bass; Peter Montville on snare drum; and Lee Chrisman and Dale Grabill as the student conductors. Those receiving first division but not recommended for the national were: George Keitzman, Gertrude Rippe, Wallace McCathern, and Kenneth Pope.

Those ensembles which were recommended to the national were: the flute quartet; clarinet quartet, miscellaneous woodwind quartet, bass quartet, French horn quartet and trombone trio. The saxophone quartet received first division but was not recommended to the national

CASA DEL RIO TO PLAY AT LAKE PAVILION

175 TO ATTEND GAYEST OF SEASON'S SOCIAL FESTIVITIES

The junior class of '37 will present a banquet and prom, the gayest social event of the season, this evening in honor of the seniors of '36, at the Lake Front Pavilion, at 7:00 o'clock.

Under the sponsorship of Mr. F. P. Williams the class will entertain one hundred and seventy-five seniors, faculty members, chaperons, and invited guests.

An airplane theme will be carried out in the speeches, decorations, and favors all pertaining to some technical air terms and habitats. Miss Almira Kramer, the general chairman, will be Stewardess of the Ship of '37.

Miss Kramer will introduce the following speakers:

The Construction of the Ship of '36, Herman Johnson; **The Takeoff**, Willard Findling; **Ascending Into the Air**, Miss Jean Grinn; **The Flight**, Miss M. M. McKenna; **Landings**, Supt. J. M. Sellers.

BACCALAUREATE FOR SENIORS, M. E. CHURCH, MAY 17

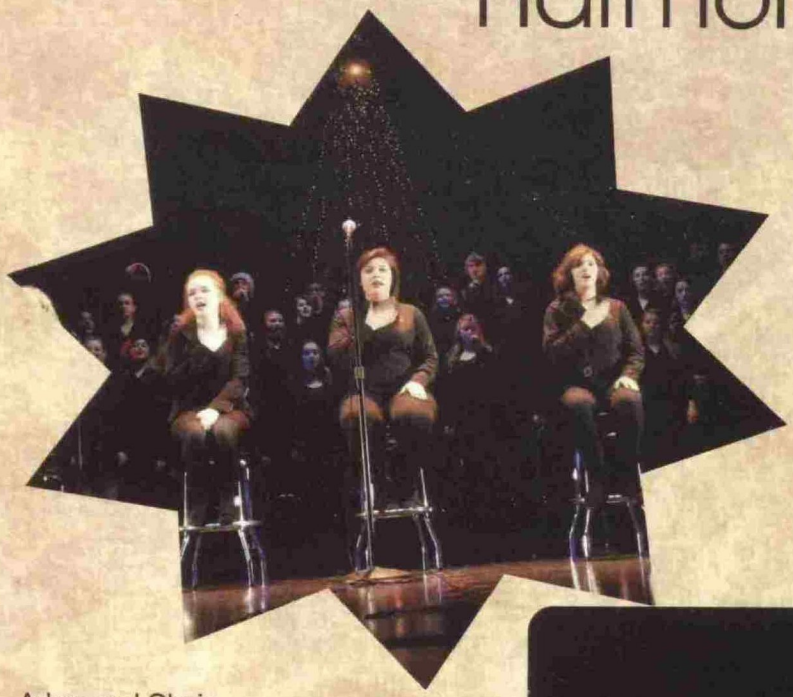

Baccalaureate services for seventy-nine graduating seniors will be Sunday evening, May 17, in the Methodist church. Reverend C. A. Brown will give the sermon, and the choral department under the direction of Miss Adelaide Ewing will furnish the music.

Commencement exercises will be May 22, at 8:00 p. m. in the Roosevelt Gym. Mr. MacMurray, State Superintendent of Public Instruction, will be the selected speaker on the program.

Three medals will be awarded at commencement: scholarship, athletics, and school activities. The senior class will select a former graduate to present these awards.

Track, Prom and Warm Weather make Headlines Then and Now.

Reeling into
Brickie tradition

Commemorating and creating history, the Hobart High School Theatre program was the very first high school to present the play, Roustabout: The Great Circus Trainwreck. Written by Jay Torrence, the Playwright gave Hobart High School the right to perform his play -- the first high school to ever do so as well as the first production for any theater in Indiana.

The play, written and first performed in 2006, works to "weave fact and fiction," according to Theater Director Cathy Nelson, as it is based on the epic crash of a circus train in Northwest Indiana almost 100 years ago on June 22, 1918. The crash of the Hagenbeck Wallace Circus Train injured more than one hundred and killed 89 performers and "roustabouts" (behind-the-scenes circus workers) that slept soundly in the train cars that night. Many of the circus crew were unable to be identified or had no immediate family and were buried in Woodlawn Cemetery located in Forest Park, Illinois in a section designated "Showman's Rest."

As stated by Torrence, his inspiration behind the play was to create "a cheerful eulogy in memory of and in tribute to the Hagenbeck Wallace performers and their lost performance on that fateful day almost 100 years ago just outside of Hammond, Indiana."

The play is unique in that it is a full ninety minutes without an intermission and works to showcase three distinct styles of acting that illustrate the various structures of the play, "...the nonfictional historical truth...the absurd comedic farce...[and] the heartfelt pathos in the dramatic narratives of the historically forgotten performers," explained Torrence.

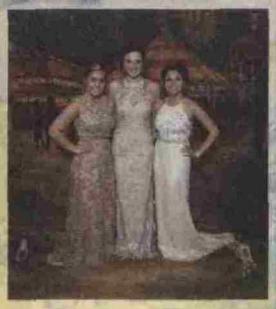

Torrence was also present to view the show on March 5th and will perform a question and answer session afterwards.

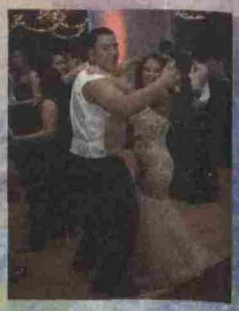

Torrence stated that he is "honored to have the Hobart High School Theatre Department share this production, as it is the first production in the state of Indiana-so closely nestled to the origin of the historical story itself."

Making History One Pitch At A Time

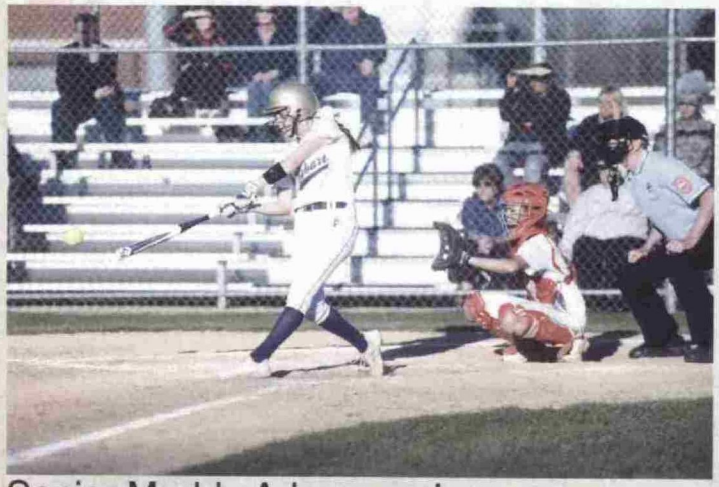

The Varsity Lady Bricks finished the season 19-11 . They won sectionals for the first time in 28 years against the Chesterton Trojans with an exciting score of 10-9. The girls advanced to regionals where they were defeated by the Munster Mustangs 5-2. The junior varsity finished the season with a record of 12-7.

New Conference Champions

For the first time in 43 years, the Hobart boys golf team are the 2016 NCC conference champions. The team members include Jacob Kollross, Ethan Frani, Hunter Smith, Chris Lavelle, and Harrison Smith. The tournament started at 10:30 at Palmira Golf Course on Friday, May 20th.

Mr. Vermeulen has been coaching golf for 8 years and is very proud that his boys won the 2016 NCC conference championship. "That was the first time in 43 years that we won conference. It's the most accomplished Hobart golf team in a long time" says Vermeulen. The boys golf team has inspired the underclassman golfers to work hard just like they did. Chris Lavelle and Jacob Crowley are going to play golf at IUN.

The Advantage of Brickie Tradition

Girls' Tennis

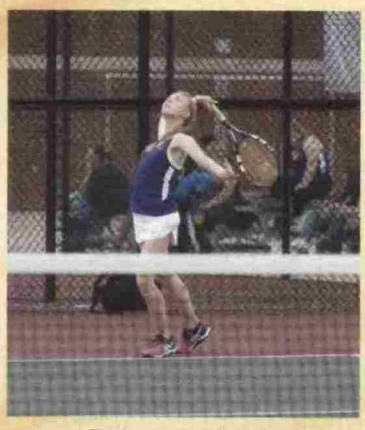

Hobart Girls Varsity Tennis has had a rebuilding year yet again, and that's a good thing . This team is young and improving everyday and they use this to their advantage. Coach Carl Davis has his hands full with a team consisting mostly of sophomores, one junior and two seniors to close this 2016 season. Every match they have taken into consideration and with determination they stand tall. Their overall record as a team is 7-8; they have won all their conference matches. Though they fell short to a sectional title this season, Tatiana Spak, Rebecca Meyer and Carla Jewell advanced to Regionals as individuals. Tatiana Spak and Rebecca Meyer had a 10-2 season this year as doubles partners and Carla Jewell is undefeated, with the exception of a tournament loss.

The team gathers together in a group huddle and chants their team cheer: "H, H, HOB! A, A, ART! HOB, ART, GO HOBART!"

The Girls track season officially started with a home indoor track meet against New Prairie and Michigan City. The rest of the season was smooth sailing. The girls finished in the NCC Championship. The next step was Sectionals, the top two girls in each event were set to race at Lowell. Hobart had a great night with Kelsey Harvey winning 1st in the discus throw, Adisan Funke also placed in discus with a 5th place and Lauren Edwards won in the 400m, receiving a call back for the 200m. Olexia Brookshire received a callback for the 100m after placing 4th, and Lizzie Govert placed 5th in the long jump. The 4x100m relay consisting of Danae Bradshaw, Angelina Bisone, Cece Castillo, and Olexia Brookshire also received a callback.
This was a tremendous girl track season with every girl on the team giving it their all. "We really want to acknowledge Lauren Edwards for making it to state for her 400m dash," said Coach Black, "I am very proud of what the team did this year, they showed selflessness through the ups and downs but overall this is one of the best track teams I have ever had the privilege to coach".

Lauren Edwards was the only state qualifier for 400 meter dash and received 13th place with a time of 58.10. She was .05 seconds off from breaking the school record.

Austin Antle, 2016 Graduate, Proves that Perseverance Leads to Great Accomplishments

Story by Vanessa Kroledge

A unique 2016 graduate, Austin Antle, continues to recover after dirt bike accident in October of 2015. On October 29th, 2015, Antle hit his head after colliding with a tree, which led to the immediate swelling of the brain and an unconscious state. He was airlifted to a hospital in Illinois, where he underwent more than five hours of emergency brain surgery. The swelling on his brain was so severe, the brain surgeon who performed the surgery told the family that in his 30 years of doing this, Antle's was by far the worse case he has ever seen, and that he didn't think he was going to make it through the night.

After Antle suffered a TBI (traumatic brain injury), he has gone through four different brain surgeries, mass doses of medication, and many days in the hospital. Austin was in a coma for five months, and only started talking a few months ago. Antle was discharged from RIC, the Rehabilitation Institute of Chicago in May of this year, where he now spends his time at home surrounded by friends and family, while he recovers and goes to therapy five days a week to hopefully regain movement of his body. Antle's left side of his body is paralyzed, and while some medical experts say he will not regain that ability to walk; he is surrounded by those who believe that he can, and that he will.

Before Antle's accident, his days consisted of fishing, working, and enjoying life; now, they now consist of therapy, learning how to walk, how to write, and how to gain everything he has lost back. There is a very long road to recovery still and some effects of the brain injury will never go away.

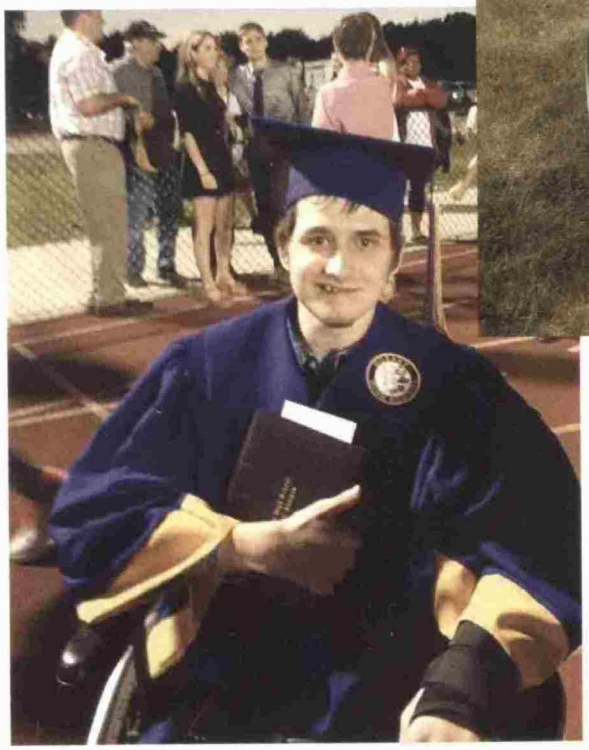

"We have a new Austin now, and although some things may resemble the one we had before this horrible thing happened, we have all learned to accept that that life is gone, and this is the one we have now" said Antle's mother, Laurisa Antle Giertz. Antle's family and friends have been very supportive, "we know that given time, he will walk again and he will continue to make progress everyday. He does something new everyday" says Antle's mother.

With the one-year anniversary since the accident coming up, Antle proclaims, "I know I'm not myself yet, but I will get there. I won't be in this wheelchair forever, and I will get on another dirt bike."

Antle has a drive like no other, he is an inspiration to many, and he believes with family, friends, and faith, anything is possible.

"Believe you can and you're halfway there." Theodore Roosevelt

Antle proclaims, "I know I'm not myself yet, but I will get there. I won't be in this wheelchair forever, and I will get on another dirt bike."

Austin, left smiles after graduation and right, enjoying one of his favorite hobbies, fishing.

THE YEAR IN POP MUSIC had plenty of familiar faces at the top of the charts, like Justin Bieber and Taylor Swift. But there were also new stars who had breakout years, like The Weeknd and Shawn Mendes.

POPE FRANCIS VISITED THE U.S. FOR THE FIRST TIME EVER. He addressed Congress in Washington, D.C., and the United Nations General Assembly in New York City. He ended his trip in Philadelphia. His schedule included a parade and services, and crowds followed him hoping for a glimpse of or a hug from the pontiff.

THE STRONGEST HURRICANE EVER RECORDED – named Patricia – made landfall in a sparsely populated area of southwest Mexico on Oct. 23. Hurricane Patricia caused a lot of damage in Mexico and then swept northeast, merged with another storm and caused flooding in Houston and Louisiana.

THE KANSAS CITY ROYALS defeated the New York Mets in five games to win the 2015 World Series. It was the first World Series title for the Royals in 30 years. In six of their 11 playoff wins, Kansas City trailed by at least two runs, setting a record for the most comeback wins in one postseason.

Hawaiian Fan Day at a 2015-season football game shows the great enthusiasm the students at HHS exude and will always remember.

THE YEAR ENDS

The journalism class, editors of Ho-Hi Life, wish to thank the students, faculty, and the advertisers who have made it possible for us to publish these twelve issues. Our readers have been very kind in overlooking the blunders we have made and have been most generous with words of encouragement.

We hope that the editors and reporters next year may overcome the mistakes we have made. With the continued support of the high school, we are sure they will meet with greater success and it is our wish that the school news may live on in the pages of Ho-Hi Life.

The journalism class of 1935-36 thanks the readers in the May 5, 1936 edition of Ho-Hi Life. If they only knew how their legacy affected us today...

One sunny day in December 2015, a double rainbow greeted teachers and students as they entered the doors of Hobart High School. It is these fond memories that will be treasured forever.
